### Company Overview

Soto Hydraulics & Steelworks LLC is a small minority-owned certified business centrally located in Massachusetts that offers a pick-up and drop-off cylinder service repair, welding, and custom fabrication in MA, NH & RI. All repairs, fabrications, and welding are performed in-house. As a small agile business, we can offer you a quick turnaround service. Your repair is our priority. We are open and available 7 days a week including holidays. With 20+ years of experience in the equipment repair industry, welding, fabrication, and machining, we have the necessary skill set and experience to assist you with your repair needs and the knowledge to critically assess what your best options are. Along with our reliable and expeditious repairs, we offer custom fabrication services as well.
